# Acknowledgement

I would like to express my gratitude and appreciation to all who gave me the possibility completes this project.

Also, I take this opportunity to express my deep sense of gratitude to my Web Development Teacher Mr Joy Samadder under whose valuable guidance, this project work has been carried out.

I would like to extend my special thanks to my parents & friends, without their support and coordination we would not have been able to complete this project.

Thanking You

You're Obedient

# Introduction

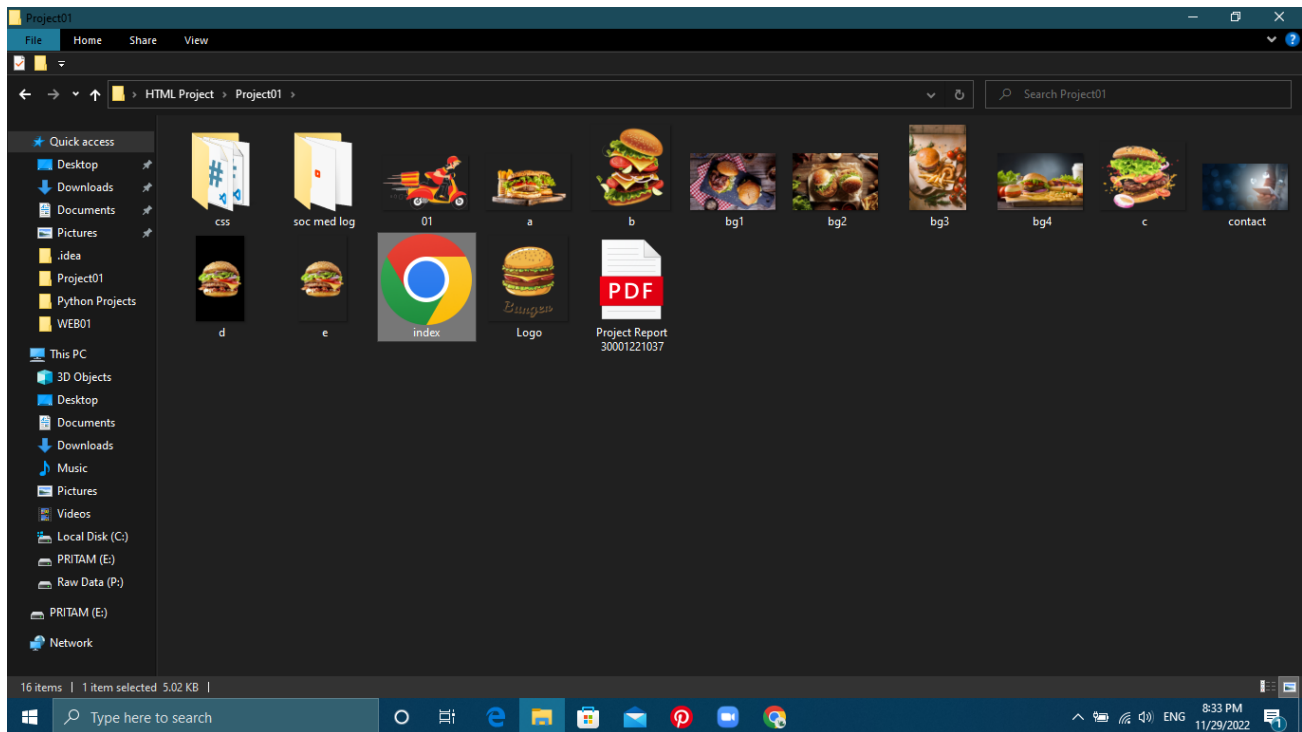

In this project of Web Development my topic is “Online Food Delivery Service”. This project is based on online burger delivery website brand name is ‘Way to Smash’.

In this website there are five sections:

1. Navbar
2. Home
3. Services
4. Client
5. Footer

This website is developed by using HTML5 Language & CSS Language. The structure of the web content one index page, two CSS style sheet and required images.

# Structure of Files

# Index.html
